

Limbic Arc – Testimonials Disclaimer

In accordance with the FTC guidelines concerning the use of endorsements and testimonials in advertising, please be aware of the following: testimonials appearing on this website are received in various forms via a variety of submission methods. The testimonials reflect the real-life experiences of individuals who used our products and/or services. However, individual results may vary. We do not claim, nor should the reader assume, that any individual experience recounted is typical or representative of what any other consumer might experience.

Testimonials are not necessarily representative of what anyone else using our products and/or services may experience. Limbic Arc does not compensate in any way for testimonials or reviews. The testimonials displayed are given verbatim except for grammatical or typing error corrections. Some testimonials may have been edited for clarity or shortened in cases where the original testimonial included extraneous information of no relevance to the general public. Limbic Arc LLC is not responsible for the opinions or comments made by third parties which are posted on this website, and does not necessarily share the opinions, views or commentary of testimonials on this website. All opinions and experiences expressed are strictly the views of the speaker. Testimonials on this website are not intended, nor should they be construed, as claims that the products or services mentioned can be used to diagnose, treat, cure, mitigate or prevent any disease or medical condition. To the contrary, our products and services are not intended to diagnose, treat, cure, or prevent any disease. No testimonial experience has been clinically proven or evaluated, and no claims should be considered medical claims. No statements or videos on this website have been evaluated by the FTC or the FDA. Limbic Arc products and services are not accepted by the traditional medical establishment and have not been proven to be effective via human trial studies overseen by institutional review boards.
