

LIMBIC ARC – COMMISSION ACCOUNTS

Limbic Arc is proud to offer all Affiliates their own insured Limbic Arc Commission Account. All payments from Limbic Arc will be sent to your Limbic Arc Commission Account. Once you've created your Commission Account, you may order a Prepaid Visa® card associated with the account.

Please check your email for your first Limbic Arc issued email invitation notification from [no-reply@mypayquicker.com](mailto:reply@mypayquicker.com). Limbic Arc Commission Account Benefits and Fees:

Please see below for a list of common fees. Your card agreement presented upon registration may show different fees than those listed below. The fees listed below are accurate for your Limbic Arc Commission Account.

Helpful Card Tips:

Affiliates can make purchases free of charge when using your card as “Credit”. **Always select “Credit” when checking out for no fee purchase transactions.**

Always ensure you have enough funds in your Commission Account for the purchase you are making. Note: Your Commission Account cannot have a negative balance and a decline fee will result if you do not have enough funds in your account for the purchase. Simply log in to your account from the web to check your balance.

Affiliates need to make sure the merchant is processing their card as “Credit”. Some merchants may try to default the purchase to a “Debit” to save the merchant fees, which in turn costs the Distributor fees. Walmart and Amazon are two companies that try to default to “Debit” when their system identifies a pre-paid card.

Affiliates will only incur a fee if they are using an ATM, have insufficient funds, or are using their card as “Debit”.

The least expensive way for you to get cash is to use your card as “Debit” when making a purchase and asking for cash back. *Check first if the merchant provides this service before using you card as “Debit”.

Stay active. Don’t allow your account to become Dormant. Accounts become dormant if there are no transactions or payments for a period of four (4) consecutive months.
